

California Wild Flower Seeds

CALIFORNIA POPPY

(*Eschscholtzia californica*)

The most noted of California wild flowers. The emblem of our Golden State. Beautiful 3 inch blossoms of brilliant orange with a glossy sheen, produced in great profusion over a long period. Should be sown freely everywhere.

Packet 15c; ounce 70c; $\frac{1}{4}$ pound \$2.10; $\frac{1}{2}$ pound \$3.80; pound \$7.00. Postpaid.

DWARF BLUE LUPINE

(*Lupinus nanus*)

The kind seen so abundantly in many parts of the state, producing a profusion of rich blue and white, fragrant flowers. Very attractive in masses.

Packet 15c; ounce 60c; $\frac{1}{4}$ pound \$1.80; $\frac{1}{2}$ pound \$3.40; pound \$6.00. Postpaid.

Special Offer. One packet each California Poppy and Dwarf Blue Lupine mailed for 25c; 10 packets for \$1.00.

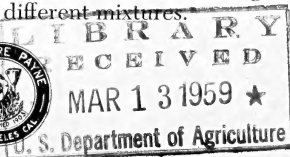

PAYNE'S SPECIAL ROADSIDE MIXTURE

A mixture composed of six of the hardiest and most showy species of California wild flowers, including the California Poppy. Creates a brilliant effect in orange, yellow and blue. Especially recommended for school grounds, vacant lots, waysides, etc.

Packet 15c; ounce 70c; $\frac{1}{4}$ pound \$2.10; $\frac{1}{2}$ pound \$3.80; pound \$7.00. Postpaid.

Prices include sales tax.

For a complete list of California Wild Flower Seeds send 25c for illustrated booklet describing 145 separate kinds and six different mixtures.
